Headline:
Dry with bright or sunny spells once patchy fog clears.

Today:
Early fog patches slowly lifting, then most places dry with sunny spells breaking through. Anglesey and Pembrokeshire may stay cloudy with some drizzle and mist at times. Feeling a touch cooler than of late despite light winds. Maximum temperature 13 deg C (55 deg F).

Tonight:
A mixture of cloud and clear spells this evening with mist and fog patches forming through the early hours. Becoming chilly in places. Minimum temperature 3 deg C (37 deg F).

Monday:
Mist and fog slowly lifting but perhaps persisting in some places and here it will stay chilly. Elsewhere, mostly cloudy with some drizzly rain arriving through the afternoon. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Damp and murky with drizzle at first on Tuesday, but slowly brightening up. Bright and breezy on Wednesday with sunny spells and a few showers. Turning cloudier again on Thursday.
